MEMORANDUM FOR SEE DISTRIBUTION

Subject: Defense Leadership and Management Program (DLAMP)

I encourage you to seek outstanding Career Program (CP) 14 personnel to participate in the Defense Leadership and Management Program (DLAMP). A formal announcement was sent out to all civilian personnel offices worldwide. The announcement may also be viewed on the CPOL webpage at <http://cpol.army.mil>. DLAMP is open to permanent full-time civilian employees who permanently occupy GS/GM-13, 14 or 15 (or equivalent level) positions. Due to the academic requirements of the program, possession of a baccalaureate degree is recommended. For extensive information about the program, visit the DLAMP website at [http://www.cpms.osd.mil/dlamp.info\\_center.html](http://www.cpms.osd.mil/dlamp.info_center.html).

The HQDA nomination suspense date is September 25, 2000. Candidates should begin preparing their application packages according to the guidance in the FY2001 ACTEDS Training Catalog at <http://cpol.army.mil/train/fy2001/ch04dlamp.html>. Questions about the forms and/or application process should be addressed to your command or installation DLAMP representative.

DLAMP is an excellent opportunity for our CP14 personnel to acquire broader functional and leadership skills. I strongly support this program and know your command and your employees will benefit from the experience. My POC is Mr. Steve Hamilton, DSN 761-1044 or (703) 681-1044, e-mail: [hamiltos@sarda.army.mil](mailto:hamiltos@sarda.army.mil).
